DOCKET NO. 2018-45-G - Linda D. Sinclair, Complainant/Petitioner v. South Carolina Electric & Gas Company, Defendant/Respondent - Staff Presents for Commission Consideration South Carolina Electric & Gas Company's Motion to Dismiss.

COMMISSION ACTION:

Move we grant the Motion to Dismiss. In general, Ms. Sinclair complained that SCE&G's Weather Normalization Adjustment is making her gas bills go up. However, she fails to allege any violation in her Complaint. Commission Order No. 2005-619 applied the Weather Normalization Adjustment to certain residential rate schedules, affecting Ms. Sinclair. ORS has reviewed the Weather Normalization Adjustment on September 20, 2017, and recommended that SCE&G continue to apply the program. In conclusion of the review, ORS stated the program benefits both customers and the utility by reducing the impact of extreme weather on the customers' bills.
